مبروك!!

Congratulations!

The future has arrived... It commences now...

Commencement is one of our most cherished times at AMSI... a time when we celebrate graduates embarking on the next chapter in their lives. It represents the pinnacle of extraordinary commitment and effort by our students and, at the same time, the nurturing and support of family, educators and loved ones.

As exciting as graduation is, it always comes with a barrage of questions about what your next steps will be. Don't worry about that. What truly matters is that you make the decision to face new challenges and experiences until you "figure it all out," but make sure you experience it – successes, failures, everything! For it is with each new encounter that you will grow and thrive.

Tonight is a night for celebration, but it is also a night to look forward. You have completed one chapter of your lives, but it is our hope that the lessons you learned here will propel you into a bright future ahead; you represent our best chance, our strongest ideals, and our optimistic promise that the world tomorrow can and will be a better place.

Don't view today's milestone as just another academic achievement, because it's so much more than that. We have prepared you for what's to come in many ways. Let the preparation, love and support from your family, friends and mentors be your drive to put yourselves out there and take your shots. *"Success is like a mountain that keeps growing ahead of you as you hike it."*

Nothing we will say today will quantify the depth of pride and joy we feel for what you've become. May this be a defining milestone for a long and blessed life ahead of you.

Congratulations Class of 2014!

هكذا يبحرون... نحو المستقبل

Al Mawakeb School... a special home for 14 years...

Take a look at the faces before you. They all tell a story of a 14-year journey, and though it's the same journey, not one of the stories is the same.

Back in 2000, as your journey began, you all thought about school as a place that happened to be on the road taking you to your dreams. But despite those beliefs, there were moments when you were caught off guard, and in those moments, you made memories. You realized that you had made friends and connections with teachers and administrators. You had shared meaningful conversations and learned insightful lessons inside and outside the classroom. In other words, you had planted your own roots. Although departing from each other's lives may seem sad at the surface, but it's really a celebration of the diversity of your dreams.

So on the eve of your graduation, let us celebrate together because even though you are all so different, you have something in common: you experienced life here. Having spent so many years here has helped refine the individuals you were meant to be. People who loved music and drama had the chance to showcase wonderful talents in the Drama Club; those who enjoyed sports had the opportunity to hone their athletic abilities, while those who possessed oratory and debate skills savoured the prospect of participating in renowned events like Model UN or Harvard Model Congress.

Fourteen years seems to be like a grain of sand compared to the time you have left ahead of you. But what you did with that little speck of sand was enormous. Some of you have already accomplished a lot. Among you, we have witnessed the growth of writers, scientists and engineers, community helpers, athletes, and young politicians. You made it here with your integrity, your skills, and your willpower. You are the wise, the creative, the brave, and you are the future.

Al Mawakeb School... a special home for 14 years...

To the few whom we've seen grow before our very eyes... Thank you for embodying our accomplishments, our rewards and our pride!

Looking back, we remember your first day, as your parents escorted you into your KG classrooms, all teary-eyed and anxious. But within minutes, an overwhelming exhilaration took over, a feeling that the journey you were about to take was going to be filled with wonderful friendships, unforgettable memories, exciting revelations, and tremendous growth. You are a special group, 14 years you spent with us and we are proud to have watched you grow. You have gone through an intense journey of change, self-discovery and development. Together, we witnessed your evolution from hesitant and dependent kindergarteners, to rebellious and adventurous youngster, and finally to fine young men and women, each with a strong voice and presence. 14 years and the journey is still unfolding.

Our goal has always been to educate you to become independent thinkers and lifelong learners. We provided you with a nurturing environment that fostered in you an attitude of strength and self-reliance. Through all of you, we have seen this dream and aspiration come to life. 14 years and so much more to look forward to for you.

An inspiring journey of learning and success lies ahead. We hope that you will travel it well, armed with integrity and pride, embracing compassion and love, and always in happiness and health. It's a brave new world out there and we know you will make the best out of it. 14 years we watched you, and we know you will.

سوالكيون منذ أربعة عشر عامًا...

يتورّع الانتماء المكاني الذي يعتبر أهمّ عامل في تكوين شخصية الإنسان في المجتمعات المعاصرة، على مضلّع ثلاثي الأبعاد يشمل: الوطن، البيت، والمدرسة.

وإذا كانت عملية الاختيار البشريّ غائبة عن البعدين الأولين بعامل الضيرورة الكونية، فالمرء لا يختار وطنه ومجتمعه وأسرته، إلا أنّ البعد الثالث أي المدرسة، فإنّ الانتماء إليه والاستمرار فيه، قائمان على التعاقد الحرّ الواعي المبني على قطبين اثنين هما: الثقة والإرادة.

فطوبى لكم أيها الأحبّة البررة، لقد اختار لكم ذوكم المواكب بيتًا ثانيًا تنهلون منه رحيق العلم والمعرفة؛ فسببتم فيه واستمرّتم - لأربعة عشر عامًا - بفعل الثقة.. وبفعل الإرادة؛ وها أنتم تغادرونه اليوم أقوياء بما تعرفون، تبسّم لكم الحياة وينتظركم الغد.. طوبى لكم فلقد أحسنتم اختيار البعد الثالث.

so many skilled orators...

So many skilled orators gathered to gain the opportunity to speak on behalf of their classmates. This was their chance to express their feelings, happiness, gratitude and anxiety about leaving this familiar home to seek new accomplishments. As usual, the judges had the challenging task of choosing the best, and the best were many, for all of them spoke words from the heart. So many impressed and dazzled with their sincerity, confidence and maturity. The sores were close, but finalists were finally selected.

Again, more rigorous auditions, finally, our anxious finalists rushed to hear the results... sounds of murmurs, beating hearts and sighs filled the room, but only to be later replaced by triumphant and wonderful cries expressing how honoured and fulfilled they felt at having been chosen.

so many skilled orators...

Going through the arduous task of testing my public speaking abilities has been quite a challenge, but at the same time, it was a pleasure. I loved giving my speeches in different language and slightly (and sometimes emphatically) changing my voice to fit each language. I enjoyed the chance to “compete” against my soon to be fellow alumni, and I know that those who were chosen to represent the school will do a brilliant job. Thank you all for the opportunity.

Mansour Riachy, 12B, Al Mawakeb School - Al Garhoud

It's been a challenging yet exciting journey to be a candidate for graduation speaker. I have always wished to represent my friends and my school on this precious and memorable day, and this is mainly the reason why I worked especially hard to make it through the final round. I sincerely admit that I genuinely adored and profoundly loved each and every moment of this memorable experience, for it truly made me realize how much passion and aspiration I hold towards public speaking. It also taught me to hold on to my dreams and continuously work with determination to reach my goals no matter how hard the obstacles I may come across. Indeed, this valuable experience has taught me to be not only a fighter, but to be the fighter.

Melda Nasri, 12C, Al Mawakeb School - Al Barsha

Thirteen years ago, I walked in as a nervous kindergarten student into an alien place where everything around me seemed daunting. In those early days, my true character had not yet blossomed and anxiety restrained my capabilities. However, over time, my school taught me to look beyond those feelings and achieve my potential. It has instilled in me the mentality that I must always take that one extra step forward to meet every opportunity that presents itself. It is in this environment that we gained the confidence in ourselves to overcome any sense of apprehension. And although we are about to leave school and set foot onto a new path, thanking ISAS for all that it has given us simply won't be enough... We must use the wisdom that we have been taught to continue being leaders and blazing the trail and setting examples for others to follow.

Ekaterina Rasuli 12B, International School of Arts & Sciences

كم عظيمة هي فرحة المرء عندما يكون مميزاً وعندما ينافس للامتيان، وكم يحلو هذا الشعور بالحماس والتحدى الشريف عندما يصل المرء إلى مرحلة متقدمة هو وغيره، لقد كانت تجربةً تفوق الوصف، وشعوراً ليس له مثيل عندما كنت أنافس أصدقائي للحصول على شرف تمثيل زملائي في التخرج، فمجرد تأهلي للمرحلة النهائية وكوني من بين المرشحين القلائل، جعلني أَرْضَى عما وصلت إليه، ومجرد التقائي وتعرفي على الزملاء المميزين الذين كانوا معي في تلك المرحلة المتقدمة كان شرفاً لن أنساه ما حييت..

أشعر بالفخر لأنني وصلت إلى هذه المرحلة ولن أنسى هذه التجربة الرائعة والفريدة من نوعها.

I was trembling after I qualified for the final stage of the speech try-outs. Knowing that I was a finalist among so many determined and talented students asserted my belief that I can reach heights if my heart and mind were set upon reaching them. From my early school years at Al Mawakeb, my dream was to speak at graduation; it was a great honor to stand and share my accomplishments, feelings, and responsibilities along with my fellow finalists...and I made it...what a fantastic feeling! I want to thank my respected teachers for pushing me to reach this level. I hope that I can make my school and parents proud of my achievements so far, but I also promise that I will continue to make you all proud!

Ahmad Galadari, 12E, Al Mawakeb School- Al Barsha

As a student, I seldom got the opportunity to test my public speaking skills. Trying out for speaker for the Class of 2014 was a challenge for me, and to make it past the first stage was as much of an honor as it was an opportunity to further test my skills and learn how to deal with time constraints and deadlines. I stayed after school multiple times to present pieces of writing from my heart, expressing how I felt about the school and how it has changed me over the years. All my fellow

finalists were equally enthusiastic students with the same goal as mine. It was more than a pleasure to face this challenge by giving it all I had. I'm glad to have been chosen and I hope I can make my school and my friends proud.

Ahmad Isravi, 12D, Al Mawakeb School - Al Garboud

امتلاً قلبي بالبهجة والشرف حين علمتُ بأني وصلت إلى المرحلة النهائية من اختبارات الأداء لإلقاء خطاب الخريجين. إنَّ هذا اليوم سيظل مطبوعاً في ذكرياتي. دخلتُ غرفةً صفراءَ فارغةً مع زملائي الذين تقدموا معي لتلك المرحلة، كلُّ منا يحملُ ورقةً مثنيةً أو مطويةً، ورقةً تعبت من عدد المرات التي قرئت بها.. كل يمشي ويتدرب على خطابه للمرة الأخيرة. كانت تلك الغرفة مليئةً بطلابٍ موهوبين ومتفوقين، فغمرني الشعور بالفخر والتواضع في ذات الوقت، حين تمَّ اختياري للوصول إلى هذه المرحلة مع هذه المجموعة المميزة، فأضافت هذه التجربة ذكري جميلة لختام هذه السنة المميزة.

هند عبدالمجيد، 12B، المدرسة الدولية للفنون والعلوم

so many skilled orators...

Growing up, I had many dreams, but this one was at the forefront. It was that I would represent my class on our special day. A few months back, we started our auditions for graduation speakers, and with it began the rollercoaster of overwhelming emotions; however, the moment I stood on the podium to begin my speech, the anxiety, tension, and the deafening pounds of my heartbeat against my ear drums disappeared. After advancing stage after stage, all I could feel was the utmost appreciation to all my family, my friends, and of course, my teachers who have helped me excel and become the person I am today. I consider myself genuinely blessed to have met and competed against such intelligent, outspoken and passionate individuals. It was an honor to be classified in the same category

as my fellow candidate speakers, and now I can only hope I do them justice with my speech. At the onset, I never imagined that I would end up where I am today: The Class of 2004 speaker (in Arabic) on our graduation day. I began this experience with my leg on the brake pedal, for my confidence faltered a few times along the way. Today, however, I stand before you with my head held high, and say, "Ladies and Gentlemen, you have just witnessed a dream come true."

Ayesha Shirawi, 12F, Al Mawakeb School - Al Barsba

الكلمات لا تكذب، لاسيما تلك المنبعتة من قلب طالبة تتحدث عن مكان احتواها لمدة ١٤ عامًا. ما يجله زملائي أنهم جميعهم أنفوا رحلة استغرقت ١٤ عامًا. البعض قد يتذكر تفاصيلها والبعض الآخر قد يتناساها.

بفضل الله وحده، وبفضل عائلتي وأساتذتي، أستطيع القول: إنني سأذكر هذه الرحلة إلى الأبد. إنها رحلة حافلة بذكريات سعيدة ومثمة، رحلة علمتني دروسًا لن أنساها، رحلة حفرت لها مكانًا في قلبي لتكون لي ذكرى مدى الحياة.. رحلتي في المواكب كانت من أروع الرحلات وأروع منها، فرصتي للتعبير عن محبتي لها أمام أساتذتي، فمن خلال هذه الفرصة، استطعت جعل كلماتي المنبعتة من قلب صادق، تنقش في ذاكرتهم محبتي للمواكب. أستطيع القول بكل فخر وسعادة: إن تأهلي للمرحلة النهائية، كان أجمل فرصة أشكر فيها مدرستي وأساتذتي وأنسب طريقة لأغلق باب رحلتي الحافلة بذكريات وقصص لا تنسى..

مريم مردود ، 12C، مدرسة المواكب، البرشاء

C'est avec une très forte émotion que j'exprime ce que je ressens, après avoir participé à la compétition du discours de la cérémonie de graduation et je suis parvenu à arriver à la dernière étape de la compétition que j'avais tant espéré et souhaité être sélectionné. Malheureusement les membres du jury ne m'ont choisi. Je ne regrette pas d'avoir tenté ma chance, c'était une bonne expérience pour moi.

It was an honor for me to make it to the third stage of the speech competition, and to be one of the few people who went that far. I couldn't believe that I was almost there, and that my chances of being the one reading the speech were gradually coming true.

Regretfully, the journey to become speaker ended for me, and, although this whole year was full of ups and downs, good times, and bad times, it took us to a very special day, our graduation. Tonight is ours to celebrate. Thank you for sharing it with us.

Mohammad Meski, 12E, Al Mawakeb School - Al Barsha

Seasons are changing, the clock is ticking, and graduation is slowly getting closer. You have to pinch yourself to believe that you're actually graduating and that one day you won't be walking down the halls as a school student. Then, you're given a chance to echo your voice on behalf of your school. You take it, because you assume that the experience would be the cherry on top of an amazing high school series of events. It basically sums itself up as the souvenir of every feeling that lingered on the tip of your heart all along. You take a minute to collect all the lessons you've learned, press rewind on all those indelible moments, hear the sounds of laughter in wholeness, embrace the bounty of friendship, and paint a clearer picture of your perspective on life. Then, you compile all that into one heartfelt composition

that speaks on your behalf. And quite frankly, it has been enough, even though it was for a couple of minutes, to let out what the high school ride has been like. The experience has definitely imprinted itself as the best reward school has ever given me.
